Description

Aquaman is an extremely well-bred good minded and gentle AQHA 5 year old 15.1 hand black gelding. He was bred on the fort ranch and with great names like Peptoboonsmal Meradas Little Sue, Doc's Hickory and Peppy San Badger right on his papers it is no accident that he is as cool as he is. This horse is easy on the eyes and is super smooth to ride in all gates. He is soft in the face, collects up nice with a nice slow jog and will lope out of his tracks on cue. Aquaman has a good stop, back up and will side passes over to the gates. This horse is beginner gentle to ride yet has all the buttons for a more experienced rider to enjoy. He is outstanding to ride out about anywhere. When riding downtown the cars, bikes, motorcycles and barking dogs are of no concern to him. This horse is equally as good to ride out on our rough steep rocky terrain and navigates steep rocky terrain very well and is an absolute pleasure to ride out anywhere. He will pick thru the rocky river bottom like a pro and go straight up or down over around or thru anything we have asked. He will lead or follow, ride quietly in a larger group as well and goes out alone. He crosses the river, tarps, trail bridges and downed timber. He has been around cattle as well. He stands quiet for the farrier, hops in the trailer and stands quiet at the tie rail and is good to bath and haul. This horse has a great personality, loves people and oh so loves the water! This is a very nice gelding that is 100% safe sane and sound. This horse would fit allot of folks. Not many like him! Watch the video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
