Description

Trucker is an attractive AQHA 13 year old 14.3 hand sorrel gelding. He is well trained and has a good one hand neck rein, will collect up nicely, has a slow sitting jog and lopes out on cue always taking the correct lead. He is thick made with good foot and bone. He has a good stop, backs soft, will side pass over to open and close the gates and is smooth traveling. This horse is a natural leader to ride out on the trails but will take any position in a group. He is confident to ride out anywhere and is a pleasure to ride around our busy streets as well as out on the rugged mountain trails. He will cross the river, downed timber and smaller streams and goes over the trail bridges with confidence and is sure footed as a mountain goat in the rough country. Trucker is equally as solid to ride in our urban environment and busy streets. The fast passing vehicles, bikes and farm animals are of no concern to him. He has been very solid to ride out and has been unfazed by any of the neighborhood stuff. Trucker carries the flag as well and would be a fun horse to sort on and been used on the ranch and ridden in big country in Wyoming. This is a friendly gelding that is gentle and kind. He gets along well with the other mares and geldings in the pasture. He is good for the farrier, ties, stands quiet to saddle up and mount. Load and hauls well. No bad habits. He is a fun and handy horse to ride around. Stays gentle with time off and is 100% sound. Watch his video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
