Description

If you like one light and responsive you are gonna love Slider. This is an attractive 7 year old, 15.1 Hand grade red roan gelding that's been used on the ranch and out on the trails. He is very smooth to ride, has a good one hand neck rein and moves off of light leg and hand cues. He will collect up for a slow jog or will long trot all day and cover some country as well. Lopes out nicely, takes his leads and stops on a dime. He has a nice turn around, will back soft and will side pass for as long or as far as you ask him to. This is a handy and fun horse to ride and he is absolutely outstanding to ride out anywhere. This is one heck of a good mountain trail horse. He navigates our rugged, steep terrain like a mountain goat. Goes through or over anything we point him at. Crosses the trail bridges, our technical rocky river crossing and small creeks with precision. He is very sure footed and dependable on the trails. Will lead, follow, ride quietly and respectfully in a group or out on his own. Slider is equally good to ride around our neighborhood. He travels around our urban streets with confidence and is good about all that we ride past including the mini farm animals, the neighborhood dogs charging up to us and the fast passing vehicles. Slider has worked at the feedlot sorting and moving cattle. He has outside roping experience as well. He is a great ranch horse, and would be a very good heel horse prospect. Good to tie, tack, bath, load and haul. This is super nice gelding, but he would not be for a novice or timid rider as he is light leg and hand cues and he is responsive. Slider is 100% sound. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
