

Gorgeous, Sweet and Broke 3 Year Old AQHA Black Mare

\$ 9,500

Description

Lola is a favorite on our place, both because of her sweet personality and because she is a fun one to ride. She is a 15 hand, 2020 true black filly by a good money earning son of Mecom Blue out of a good producing daughter out WYO Blue Gooseberry. She is stout made with a wide chest, thick bone and big feet. She was simple to start and has been the "born broke" type since day one. She is gentle with no nonsense to her. Kind and exceptionally sweet. She will be the first one to walk up to you in the pasture and the one that nickers to you each time you walk up to the barn. She rides well in the arena and has been ridden plenty of miles outside. Smooth trot and lope, soft to your legs and hands, has lots of stop and turn. She would excel as your next ranch horse, rope horse, trail horse. Lola is an absolute sweetheart of a mare. She is naturally very confident and is not spooky or flighty. Tackles each ride and each new task with a good work ethic and a willing attitude. Ranching Heritage eligible. She is 100% sound, 5 panel negative through parentage. Vet checks welcome at buyers expense. \$9500
