Description

Rambo is an extremely gentle and good natured AQHA 4 year old, 15.0+ hand Blue Roan gelding with big foot and bone and is put together to last. He is one of those rare kind of horses that has a born broke kind of mind and attitude and he loves people. He will meet you at the gate and is ready and willing for whatever you have planned. Gentle for all ages and is as solid as they come. He has performed in drill team at large venues with flowing dresses draped over him and carrying a flag with crazy lights and loud music. He never bats an eye and happily does his job with all of the commotion going on. Rambo has lots of trail and road miles. A lot of those miles were with young riders and he is always calm and chill. He is trustworthy letting the kids do everything with him, from catching, haltering, tying, tacking, mounting and riding. In the arena Rambo has good training. He has a one hand neck rein, a nice slow collected jog and always picks up the correct lead. He has a good stop, backs soft and side passes with ease for opening and closing the gates. He is safe, safe, safe to ride out anywhere, from busy urban streets, to downtown or out on the mountain trails. He crosses all the trail obstacles, creeks, rivers, downed timber, etc. Will lead, follow, ride quietly and respectfully in a group as well as out on his own. He navigates steep terrain and our rocky River bottom very well. You can drag stuff off of him and he has been used for mounted shooting as well. He is respectful and at ease with kids running around or under him. Rambo will ride double and bareback no problem. He is a gentleman turned out with all other horses, mares and or geldings. Rambo is good about absolutely everything and I could go on and on about what a wonderful horse he is. This is truly a special one that everyone will love and get along with. 100% safe, sane and sound in every way. This is one of those "one in a million" kind of horses.
