Description

Very attractive AQHA 5 year old 15.2 Hand Sorrel gelding. Dually is a very gentle good natured and smooth traveling horse with a wonderful disposition. He is well trained and has been shown some in ranch pleasure as well as used for sorting and on the ranch. He has a good one hand neck rein and moves off of hand and Leg cues with ease. He carries himself collected, has a nice jog and will lope out on cue, always taking the correct lead. Good stop, backs soft and side passes with ease to open and close the gates. He has a decent turn around, is easy to operate and is user friendly to ride and work with. Dually is solid to ride around our busy neighborhood streets as well as out on our rugged mountain trails. He handles all of the commotion of an urban environment, from all fast passing vehicles to the local farm animals and the usual charging, barking dogs that we frequently encounter. He is equally good to ride out on the mountain trails. He picks his way through the rocky terrain with precision and is sure footed in steep terrain. He will lead, follow, ride respectful in a group or out on his own. Crosses the river, creeks, trail bridges and downed timber. Dually is a horse that would fit a lot of folks and is an absolute pleasure to ride and be around. He carries the flag and would make a great mount for drill team, sorting, ranch pleasure, cowboy dressage and trail riding. Dually is 100% sound and safe. He has no bad habits or vices of any kind. He loves people and attention and will be the first one to greet you out in the pasture. Gets along very well turned out with all other horses. He's good about everything from tying, tacking, mounting, bathing, shoeing, loading and hauling. This is a very nice gelding and there are few and far between like him. 100% safe, sane and sound. Watch his video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
