## Description

AQHA 7 year old, 14.3 Hand buckskin mare with plenty of shape and looks. Honey is a very sweet, kind and personable mare. She has wonderful ground manners, loves people and attention. Honey is a solid Trail Horse that's equally solid to ride around our busy neighborhood and in urban environments. On the trail, she will happily ride in any position. A great leader and is also happy to follow, ride in the middle of a group or out on her own. She navigates our steep rugged trails very well. Sure footed and dependable in steep and rocky terrain. Crosses the river, creeks, trail bridge, tarps, down, timber, etc. When riding in the neighborhood Honey is traffic safe with all vehicles. Trucks, motorcycles and bicycles. She calmly walks past the mini farm with the pigs, goats, ducks, turkeys, chickens, as well as all the neighborhood dogs that run up barking at us as we ride by. Ties, bathes, loads and hauls great. Good for the Farrier and blanketing. She gets along outstanding in the pasture turned out with geldings as well as other mares and our burro. She is also content in a box stall or a pen by herself. She carries the flag and is good with all trail obstacles. Honey is very sound and has good confirmation, bone, and feet. If you are looking for a great Trail Horse or a broodmare and one that wants to be your best friend and be loved by you, Honey is your girl! 100% sound! Check out her video!
