Description

Bella is a beautiful AQHA 2023 Buckskin filly with great conformation. She is thick made with good bone and foot. She has the prettiest baby doll head and a very kind and good natured disposition. Her sire TRIP KINGS WIN is a 100% color producer having one colt that tested Homozygous for the double black gene which is extremely rare and only a few registered in the AQHA. Her dams sire CHEX TWO BUCKS was also a Super Horse contender. Bella would make a great ranch horse or pleasure horse as well as a performance horse prospect. She will most definitely make a great all around riding horse for several disciplines and if you decide to breed her further down the road she will most likely be a color producing broodmare that will throw beautiful colts with good bone, foot and ability. This filly is very gentle and has the best disposition you could ever ask for. She is smooth traveling, is classy moving and athletic yet quiet minded. Bella is an absolute pleasure to handle and work with and has a calm and confident disposition. She has been saddled, sat on, flagged, been over the tarp and properly desensitized. All the preparations have been done and she is ready for training under saddle in the discipline of your choosing. She leads and ties well. Is good about picking up her feet, fly spray, clipping, is good to blanket, bathe, load and haul. Bella will mature to be a thick made gorgeous mare. She truly has everything going for her. Beauty, brains, conformation and she as kind and good natured as can be. She gets along wherever you put her. Box stall, small pen or turned out with other horses. Currently standing 14.1 hands and growing. She has no vices or bad habits and is going to be one heck of a nice horse. 100% sound. She's gonna be a good one! Check out her video with first saddling! Sold! Sorry you missed her. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
