**5 YEAR OLD 13.1 HAND WELSH PONY**

**\$ 12,500**

## Description

Tinkerbelle is a very beautiful 5 year old, 13.1 hand dappled grey Welsh pony mare. This pony has the sweetest personality and is very good natured. She loves people and attention. Always saddles up gentle and is happy and willing to put in as many hours as you have planned for the day. Tinkerbelle rides English, Western, bare back, goes over the jumps and is broke to Drive as well. She's been ridden and shown by a 9 year old in walk/trot classes and has won lots of ribbons. Tinkerbelle is very solid and confident to ride out anywhere. When riding around the neighborhood she is at ease with everything we have come across including fast passing cars, trucks, motorcycles, E bikes, barking, charging dogs, farm animals, landscaping equipment, etc, etc. She has been utterly fearless. She is equally outstanding riding out on our mountain trails. Very sure footed and navigates our steep, rocky terrain really well. She has a brisk walk and has no trouble keeping up with the bigger horses. Happily leads, follows, rides peacefully in any position of a group and is equally content to go out alone. Crosses anything we point her at such as rivers, creeks, deadfall, bridge, tarps, teeter totter and all kinds of other trail obstacles. She is good about swinging the rope and will rope and drag the barrel. She would probably take to roping easy. She'll carry the flag while going over a jumping course and has no quit in her. She is truly unshakable! Flags, bikes, dogs, tarps, obstacles of all kinds, she takes it in stride. This pretty as a picture gal would be a fantastic trail partner for a kid or smaller adult that appreciates the shorter ones and just wants to have a sure footed, fun and trustworthy mount. Tinkerbelle would also work well for Driving, jumping, Showing, Gymkhana as well as a really fun ranch using pony. She has a nice walk and trot on her but lopes out pretty fast so we feel that she would be best suited for a confident rider. She's got a great work ethic and has no quit. Tinkerbelle is good about her feet, is an easy keeper and is good to shoe, blanket, clip, bathe, tie, tack, mount, load and haul. She has no bad habits, is an absolute pleasure to be with and is 100% solid and sound. Sold! Sorry you missed her. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
