

7 YEAR OLD 15.1 HAND GREY GELDING

\$ 9,500

Description

Cookie is a 15.1 hand gorgeous 7 year old grey gelding. This is a super nice horse that's gentle yet handy enough to get any job done. He takes his leads, stops, backs up and side passes over to the gate with ease.. Out on the trails he will go anyplace we point him. Over the logs, bridges, creeks or up and down the steep terrain like a pro. We have put a timid rider on him out on a 2 hour trail ride and he took great care of her. He does not care if is in the lead, the middle or riding drag. He's not bothered by the city traffic, barking dogs and lawn equipment and will cruise down the side of the road with the cars whizzing by and not get rattled. Before coming to California he did all the ranch chores. Used outside to gather, sort and doctor sick cattle on. Has drug calves to the branding fire. He is athletic and handy in the sorting pens but is happy to just cruise the trails and take in the scenery. It is all the same to him. Take him down the trails, take him back to the ranch and go to back to work Cookie will not disappoint. This is a horse that anyone will be proud to own. 100% safe, sane and sound.
