Description

What a nice horse! PLAYBOYS LAST CHAMP is a super cute AQHA 7-year-old 14.2+ hand dun gelding. Let us introduce to you Champ. A name that fits this wonderful horse to a T. Champ is the kind of gelding that we search the entire country for. He has every attribute that we want and look for in our search to find good quality horses. He is 100% gentle and sound. He has a kind and friendly demeanor. Quiet minded yet handy if you ask. He is user friendly and beginner friendly to ride and be around. He has zero issues, vices or bad habits of any kind and is unequivocally good about everything. Champ has had professional training. In the arena Champ has a good one hand, neck rein making him very easy to maneuver in whatever direction you ask him to. He has a comfortable, slow jog and will lope out on cue always taking the correct lead. He has a smooth and easy to sit lope. Stops with no hands if you so choose to by just shifting your weight and saying whoa. He will roll back and lope out of his tracks. Backs soft and with ease and side passes with ease as well. He collects up nicely and is simply just a joy to ride and be around. Champ is a super champion to ride out anywhere. From our busy neighborhood streets to our mountain trails, you will feel happy, confident and comfortable riding this horse. The neighborhood scene is just another day at the office for Champ. He is calm and confident in urban environments with all the fast passing vehicles, charging barking dogs, random things thrown out on the side of the road and the mini farm animals. On our mountain trails, he is equally at ease with riding through our rocky river, bottom and on steep mountain trails. He is content to lead or follow or be in any position of a group of Horses as well as out on his own. From water crossings to dead fall or trail obstacles he handles it all. Champ has also been used to gather and sort cattle. This sweet horse is a get along kind of guy turned out with other horses and it's just as content to be in a pen or box stall. He is 6 panel NN and has all the looks disposition and training you could ask for. His bloodlines include some of the greats like HOLLYWOOD DUN IT, FRECKLES PLAYBOY and SUNFROST. Champ is truly beautiful inside and out. He is 100% in every way. I will surely miss him when some lucky person scoops him up from me, but I'm equally grateful to have a horse like him to offer for your consideration.
