Description

William is an attractive well put together 11 year old 15 hand Dunn roan gelding. this is a gentle horse that really wants to please. He is well trained and a pleasure to ride. Very smooth traveling with a good neck rein. Takes his leads, has a good stop and back up and will side pass over with ease to open and close the gates. This is a solid horse that has been all over the trails and used on the ranch for all the ranch chores. He is outstanding to ride anywhere we take him. He navigates our steep rocky terrain and trails and will go straight up, down, around or thru anything we ask like the pro that he is. Crosses the river and he will lead or follow, ride in the middle of the group and will go out alone as well and will be well mannered with larger groups of horses. Carries the flags, tarps and such, drags pipes and barrels. He has been in a 3 day Brannaman clinic with over 20 other horses and did awesome! He goes anywhere we point him with no hesitation. Before coming to California he was used on the ranch for all the ranch chores including branding, sorting, doctoring and shipping cattle. He is a kind soul and really wants to get along. He is particular on how the bridle is put on but gets better about it all the time. Just go slow and he is fine. He does have one front tooth missing. I cannot say enough good about this horse. He is as honest as the day is long. He is gentle and stays gentle. Stands quiet for the farrier, hops right in the trailer. He will stand tied all day long. 100% safe sane and sound. All that and easy on the eyes! Watch the video.Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
