### Description

Driftin is a 15.3 hand 7 year old buckskin gelding. This horse has a nice brisk comfortable business like walk and will keep up with your friends on the walking horses without breaking into the trot. He is smooth riding and quick footed. Lots of feel. Moves on leg or hand cues and picks up his leads, stops, backs and opens and closes the gates. He goes thru the water, up and down the steepest mountain trails we have around here with confidence and ease. Goes over the trail bridges, the moving trail obstacle bridge and does not refuse what we ask of him. Around town the trash trucks, speeding cars, barking charging dogs are of no concern to him. He carries that flags, crosses and carries the tarps and all that jazz. He gets along with the other geldings, goes out on his own and I can turn around and leave the group and he never looks back. He has been used on the ranch gathering, sorting and shipping cattle. This is the one we all want to get from the pen if we are headed out riding. Hops in the trailer, stands tied to the rail as long as we ask and the farrier loved him. If you like em' pretty, feely and light to leg and hands you are gonna love him. 100% safe sane and sound. Very nice horse here. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
