
11 YEAR OLD BUCKSKIN PAINT

Description

Paintin is a beautiful and unique looking 11 year old 15.1 hand buckskin tobiano gelding with 2 blue eyes. This is a very well trained gelding that responds well to light leg and hand cues. Collects up nice, has a smooth slow jog and will lope out on cue always taking the correct lead. He will do a nice slow pony lope but has plenty of speeds when if asked for it. Good stops, backs soft and side passes to open and close the gates and turns around as well. He will confidently go wherever we point him and is solid on the neighborhood streets as well as out on our steep rugged trails. He will lead or follow goes out alone and will navigate the steep rocky terrain like a good ranch horse should. He crosses the river, downed timber and trail bridges and is one that knows where to put his feet in tough country. He is equally as solid out on our busy streets and is super in the arena. Paintin has been patterned on the barrels and has been ranched and roped on as well. This is a super nice horse that is 100% safe sane and sound but is a forward moving horse that is light, sensitive and responsive so would not be a beginners horse. If Barbara had her way she would be keeping this one for herself! Loads and hauls well, good to shoe and bathe and will stand quiet at the tie rail. No bad habits and is oh soooooo fun to ride!
