### Description

Jessie is a very well put together 5 year old 15.2 hand sorrel well-bred AQHA gelding. This horse has good foot and bone and is put together the way you want one to be. Built to last! Gentle yet handy and fun too ride! In the arena Jessie has a good one hand neck rein, a slow trot and holds collection and he will lope out on the correct lead every time with a good stop and backs with ease. He will side pass over to open and close the gates as well. This horse is super solid to ride out anywhere from our urban streets to the rugged mountain trails. Jessie is a superstar to ride out. On the trail he will take the lead, ride out in the middle of larger groups or stay at the back of the pack. He will ride out peacefully alone. He crosses the river, streams, bridges, downed trees and goes anywhere we ask him with no fuss. You can gallop him fast and when you're done he settles down quick and will walk out quietly. In the neighborhood all the usual things we encounter are of no concern to him. From fast passing vehicles to barking dogs, bikes, lawn equipment to road work it is all ok to him. Jessie has been used on the ranch to rope and doctor cattle and to start colts as well. This is one heck of a nice horse and is currently Kaylee's favorite one to ride. No bad habits and is 100% safe, sane and sound. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
