Description

Wall-E is a cute 9 year old 14.1 hand grade sorrel tobiano gelding that is puppy dog gentle and safe for the whole family. He has a nice slow and smooth easy to sit jog and lopes out easy. This easy going gelding is outstanding with the trail obstacles, carries the flag, tarps and drags the barrel and logs around with confidence and ease. He is extremely good natured and kind. He loves people and attention and will stand quiet to be brushed and tacked up. Wall-E is the kind of horse that anyone will feel safe on and is super solid to ride out anywhere. When riding the neighborhood streets he is unfazed by the fast passing vehicle, charging dogs, yard equipment and such. He is a horse you can relax on when riding. Wall-E is equally as good out on the trails. Crosses the river, downed trees and trail bridges. Hikers, bikers and dogs off leash on the trails are no concern to him. He gets along well with the other horses and is good to shoe, tie and haul. 100% safe and sound. If you are looking for the confidence builder with more whoa than go you should come and check out Wall-E. Watch the video. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
