## Description

Deez is a 6 year old 15+ hand sorrel gelding that is well bred and well put together. He has very unique markings with good foot and bone. In the arena he takes his leads, stops, backs up, side passes to open and close the gates and has really smooth gaits. Works off light leg or hand cues and has a one hand neck rein. This horse is forward moving, light and feely and can really get around. Deez is really handy and will move it on out. He goes thru our mountains with confidence and ease and will go anywhere we ask without any fuss or hesitation. Picks his way thru the rocky river, goes straight up or straight down and really gets around good in the rough terrain. Deez will ride in the front, middle or in the back of a group and goes out on his own. He has done ranch work, day work, gathered, sorted and used outside a bunch. He is super good out around the neighborhood with the barking dogs, cars and trucks whizzing by. Deez will stand quiet for the farrier and hops right in the trailer. He gets along well with the other horses in the pasture. He would be best suited for an intermediate rider as he has some speed and is quick footed. 100% sound and healthy. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
