8 YEAR OLD 15 HAND PAINT GELDING **VIDEO**

\$ 9,500

Description

Mohawk is a 15.1 hand 8 year old paint gelding. This horse has a really funny personality. He always makes us laugh and his mane explains his name! He has been ridden both English and western and knows his leads, stops, backs up and side passes with ease and is a forward moving horse. He has a one hand neck rein and will turn around easy. We have had him over some little jumps as he has done a little jumping in the past and he took right to it. The barking dogs, trucks and city stuff have been no bother to him. Out on the trails he goes anywhere we point him. Over, around, thru or up and down the steepest terrain it is no problem to him. He will pick his way thru the rocky river bed like a pro. He has a very nice brisk walk and is happy to lead the way or drop back in the pack and cruise along. Smooth gaits. He gets along well in the pasture with the other horses, stands for the farrier as well. He hops right in the trailer like a pro. 100% sound and gentle. Watch the video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
