
4 YEAR OLD 14.2 HAND CREMELLO

\$ 6,500

Description

Alfredo aka Alfi is a kind and quiet minded 14.2 hand 4 year old cremello gelding. He's got two blue eyes with some shape to him. He is a very gentle and smooth traveling horse that takes his leads, stops like a dead end street and is coming along very well. We have carried the flag on him and he did awesome! He is solid to ride out around the neighborhood as well as out on our rugged mountain trails. He is traffic safe and un-concerned about all the usual hustle and bustle of the urban environment. Alfi is outstanding on our rugged trails. He will lead or follow, rides out alone as well. He crosses the river, downed logs and handles the steep rocky terrain really well. He gets right in the trailer, stands tied quietly and gets along well when turned out with the other horses. This is an outstanding young gelding with a bright future. Finish him out for whatever you are wanting. He is a quick learner and a pleasure to ride and work with. He is out of registered stock but as of now we have not received his papers so he will sell as un-registered. He has no bad habits or vices and is 100% safe sane and sound. He is priced to fit the budget! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
